Our Vision

Everyone at Balmedie School and Nursery welcomes you all so that we can work together as a team to provide a welcoming, safe, happy, nurturing and stimulating environment in which everyone is encouraged to be the best they can be.

Our Values

At Balmedie School and Nursery we will work to promote the 8 areas of wellbeing, understand rights of the child and develop skills for work & life. We want our children to contribute positively to our wider school community, to have opportunities to lead, 'have a go' and collaborate.
